PACKET

Hello, and thank you for your interest in Arkansas Mental Health Counselors Association!

We appreciate your interest in further learning about **Arkansas Mental Health Counselors Association (ArMHCA)**. This letter is to provide you with information regarding our organization as well as presenting unique sponsorship opportunities. **ArMHCA** has been a non profit organization for over **30** years and the purpose is to serve as the collective voice of licensed mental health counselors in Arkansas. Our organization prides itself on educating, advocating and connecting with and for mental health professionals locally and nationally under the American Mental Health Counselors Association (AMHCA) umbrella.

ArMHCA is one of the leading continuing education providers in our state by offering a fall retreat and large conference in the spring to all mental health counselors in the state. The fall retreat provides members an important self-care getaway to maintain the desire to make a difference in others. The annual conference is a great opportunity for the mental health professionals around the state to gather in one location in order to network and renew concepts most concerning to the licensed community.

Please reference the enclosed sponsorship packet. and note that all contributions are tax deductible.

Sincerely,

Beth Forst, LPC
